OBJECTIVE:

To create awareness and inform people about working parents perspective on breastfeeding and parenting.

DETAILS:

The World celebrates breastfeeding week every year. In this regard the School of Nursing conducted **World Breastfeeding Week**, Theme of the celebration was “**Let’s Make Breastfeeding and Work, Work!**” at **Sri Sathya Sai Sanjeevani Hospital** on **5th august 2023** and **Urban Primary Health Centre**, Krishnapur on 7th august 2023. The nursing students, faculties and coordinators educated the public especially antenatal and postnatal mothers about the importance, position and techniques of breastfeeding.

Mr. Aditya, Nursing Student, delivered an introductory note in which he spoke about the purpose of the visit and addressed the gathering. The main objective was to fulfil the theme by conducting the event in different health care settings.

1st Day (5th august) - On the very first day of the program there were total 45 participants, including mothers with new-born babies, their family members, non-professional helping personnel for mothers from Sri Sathya Sai Sanjeevani Hospital and students. Miss. Swati Raj, Nursing Student spoke about ‘**Positions for Breastfeeding**’, and Miss. Bandana Munda, Nursing Student, demonstrated the ‘**Techniques of Breastfeeding**’ with the help of using a new-born mannequin followed by Miss. Sohani Lakra, Nursing Student delivered a talk on ‘**Duration of**

Breastfeeding' and **'Benefits of Breastfeeding'**. Mr. Samarth Kumar, Nursing Student continued the session by discussing about **'Disadvantages of not giving Breastfeeding'** and at the end Miss. Anisha Hembrom, Nursing Student deliberated on the topic - **'Weaning and diet of mother'** by using charts. Miss. Diya Paul, Nursing Student concluded the program by conveying Vote of Thanks.

2nd Day (7th august) - On the second day of the program there were a total 39 participants, including mothers with new-born babies, their family members, Antenatal & Postnatal Mothers from Urban Primary Health Centre, Krishnapur, and students. Miss. Kanchen Rani Bhagat, Nursing Student spoke about **'Position of Breastfeeding'**, and Miss. Bandana Munda Nursing Student, demonstrated the **'Techniques of Breastfeeding'**, with the help of using new-born mannequin followed by Miss. Sohani Lakra, Nursing Student delivered a talk on **'Duration of Breastfeeding'** and **'Benefits of Breastfeeding'**. Mr. Samarth Kumar, Nursing Student continued the session by discussing about **'Disadvantages of not giving breastfeeding'** and at the end Miss. Anisha Hembrom, Nursing Student deliberated on the topic **'Weaning and diet of mother'** by using charts. Miss. Diya Paul, Nursing Student concluded the program by conveying Vote of Thanks.

Dr. Angad Tiwari, Dean of Students' Welfare and Dr. Pramila of UPHC, Adityapur was thanked for giving an opportunity to organize the program in Sri Sathya Sai Sanjeevani Hospital and Urban Primary Health Centre. The event was coordinated by Miss. Barsha Basuri, Miss. Twinkle Shreya Gupta.

TAKEAWAY (OUTCOMES):

Students will Practice professional nursing and midwifery competently and safely in diverse settings, utilizing caring, critical thinking and therapeutic nursing interventions with individuals, families, populations and communities at any developmental stage and with varied lived health experiences.
